14. (Unclassified - DTC) LIAISON Called Kenneth Brooten, former Assistant Counsel, House Select Committee on Assassinations (HSCA), regarding a call received from the office of Representative Henry Gonzalez (D., Texas) asking that this office contact Mr. Brooten. It was stated that he had information of interest about the HSCA. (See Memorandum for the Record).

15. (Internal Use Only - PG) LIAISON Telephoned Robert Boettcher, Staff Chief, Subcommittee on International Organizations, House Committee on International Relations, to advise him that I had acquired two telephone numbers for John Richardson, former Seoul station chief, whom Boettcher and Michael Hershman, Deputy Staff Chief, wished to interview in Guadalajara, Mexico. We agreed on a few minor matters before I made the call, with Boettcher confirming that they would like to interview Richardson in Guadalajara over the weekend of 21-22 May. I agreed to try and work this out with Richardson.

16. (Secret - PG) LIAISON Met with Michael Epstein, on the staff of the Senate Select Committee on Intelligence, and William G. Miller, Staff Director, as agreed, at Headquarters Building from approximately 10:00 a.m. until circa 2:00 p.m. Files were made available by the DDO for their perusal and Robert Brewster, CEA/JK, gave a briefing on the KCIA. This was followed by a lively discussion focusing on how information concerning the alleged corruption of U. S. officials should be used. Miller had to leave the meeting early and said he would return at the first convenient time to continue his review of the files. Epstein said he would be getting in touch with me (or Don Massey) in the near future to continue his review and check on several requirements he has left with Evvy Vidal, SA/DO/O.
